## ***Charcuterie***

*Assorted local meats, cheeses, grilled grapes and seasonal fruit*

### **- 1<sup>st</sup> Course -**

*Shrimp and fennel salad*

*Roasted shrimp tossed with a salad of fresh fennel, oil cured olives and pine nuts*

*Paired with 2019 Albariño*

*A first on the mountain for this Spanish varietal, this wine has an energizing nose of honeysuckle, grapefruit, and lemon zest. Our Albariño is medium-bodied with a mouth-watering, citrusy palate ending with a subtle minerality.*

### **- 2<sup>nd</sup> Course -**

*Asparagus salad*

*Shaved asparagus with Manchego and orange vinaigrette*

*Paired with 2017 Estate Riesling*

*Our first Estate Riesling in several years, the 2017 vintage of this wine came through as almost Alsatian in character. Fermented to dry, it has a palate coating character with acid and tropical notes – a wonderful accompaniment to tropical dishes, fresh fruit, and dishes with soft cream notes.*

### **- 3<sup>rd</sup> Course -**

*Beef filet with mushroom leek risotto*

*Filet mignon seared and finished with truffle oil, topped with buffalo mozzarella and crisp prosciutto*

*Paired with 2019 Petit Verdot*

*This full-bodied red wine begins with notes of toasted oak and vanilla. A versatile red blend, this vintage has notes of currant and hints of cinnamon, with a balanced finish backed by velvety tannins.*

### **- 4<sup>th</sup> Course -**

*Sweet Bites*

*A sampling of small pastry bites and assorted chocolate dipped dried fruits, nuts and candies*

*Paired with SOAR V*

*No evening with chocolate is complete without a port pairing. Our latest release in our SOAR port styled wine collection. Aged with whiskey barrel staves, this release leans more towards the tawny side of port than the ruby, with more caramel and toasted notes.*
